GENERAL CONDUCT:

Please use common sense and respect others' right to enjoy the event. Remember that any activity which is illegal outside the event is still illegal inside the event. Event Staff may ask you to stop an activity or take it to a private room. Repeat offenders may be required to leave the event. Please also note that the event staff retains the right to deny entry to anyone and that you can be asked to leave at any time without warning or particular infraction to these stated rules of conduct.

MEDIA POLICY:

As per our policy, the staff has decided not to allow ANY media coverage at the event without PRIOR approval. Attendees purchasing a membership agree not to act as media agents in any way, shape, or form while attending our event. 2010 CaliFur
Irinve, California

Welcome Everyone;

We (the staff) would like to welcome all our new and old members from all over the country (and world) who have decided to join us this weekend for CaliFur 6: Fabulous Furry Funnies! I hope everyone enjoys what we have planned, from the dance to the cabaret, from the ice cream social to the panels. We've got a lot in store for you! Please take some time after reading this to browse through the Conbook, and see the amazing submissions we've received from artists interested in making this year's Conbook even better than the last!

I want to take a moment to thank all our staff who have applied this year, and have dedicated their time to making this the best CaliFur ever. I'd also like to thank all the members who have joined us this year, despite hard economic times. We all feel the pinch, and it shows true dedication to see you here today, despite the ever increasing costs of travel. Thank you, all of you who are reading this; from all of us at Fenec Adventures and its staff. You're the people who make this event possible.

We all look forward to seeing everyone in 2011 for our theme of:

Post Apocalypse.

HEROES OF CALIFUR

ZSA'NENE (ZEE) STEVENS (TIGEREYES):

Chairwoman. Been in the furry fandom since ConFurence 3. I have worked as a volunteer for ConFurence along with security and from there I did Co-Chair of ConFurence then when Califur got started I helped with Registration and Co-Chair for a couple of year. Then I became the Chair of Califur and love being a Furry.

HELLFYRE

Co-Chairman, Head of Registration, and Human Resources. He has been a member of the furry fandom since 1993. Hellfyre runs DragonRO, an online Ragnarok Online server, as well as a Left4Dead dedicated server and DragonRO. He's an IT consultant for a broadcasting company and running custom servers.

HOLLIS STEVENS (BLACKEYES)

Head of CFAC. I got into the fandom during the Confurence years which I was part of the CFAC crew. When Califur started I became the head of the department and been it ever since. If there is anything else you need from me just let me know.

VICTORIA SHAPERO

Con-Ops Lead. Grew up in fandom tagging along after her mother who worked for Confurence and has been doing odd jobs during most of that time. She got nudged into this position after serving on Security for two years. She's always open to answering questions, likes a wide variety of subjects, and is more than happy to put out your burning ducks.

SIDEKICKS OF CALIFUR

GLEN WOOTEN

Art Show/Art Auction. A firm believer in enlightened self interest, he saw a need and filled it. Knowing the danger of being at the prow, he is quite happy enough to be the man behind the curtain. Well aware that he does not play well with others, he'll give you a well-planned whatever he's working on - assuming you don't get in his way.
And ... just don't get in his way.

ROD O'RILEY (VINSON MINK)

Programming Lead. Co-founded ConFurence (the first furry-themed convention), and runs programming for Califur. He is often identified as one of the founding members of organized furry fandom, along with his long time mate, Mark Merlino. Rodney is the editor and chief writer of InFurNation.com, a furry news-zine and blog site.

COMIC STRIP GUEST OF HONOR

AMBER M. WILLIAMS

Author and artist of Dan and Mab's Furry Adventures.

/DMFA/ (/Dan and Mab's Furry Adventures/) began in 1998, when Amber promised a shrine of sorts to anyone on Furcadia who could find a particular song for her. When a friend who went by the name of Daniel Ti'Fiona found the song in question, Amber made good on her promise and created the shrine. As a joke, she added a sign proclaiming "Coming soon: the Misadventures of Daniel Ti'Fiona, the comic!" However, Daniel took this seriously and continually prodded her to actually start the comic until she finally gave in. The first comic was posted on the website in 1999.

*Initially featuring Daniel and Miss Mab, the cast of the comic soon expanded, including both friends of Amber's on Furcadia and characters of her own creation. Later on in 1999, the comic fell into a hiatus for about a year. Amber resumed comic production in 2000, and the comic has been updating steadily ever since. *Amber Williams* (formerly *Amber Panyko*) is an American artist and writer, most known for her Censorship Pandas and the popular comic, /DMFA/. She often goes by the name "Miss Mab", after her fursona on Furcadia. She graduated from the University of Southern Indiana in August 2005. Her interests include Iron Chef and LazyTown. Recently, she has moved to Canada. October 22nd, 2006, she married the author of the website Tailsteak.com*

ARTIST GUEST OF HONOR

Kythera of Anevern is a fantasy artist and illustrator living in Los Angeles. She is perhaps best known for her activity in the Gargoyles fandom, and her attendance at the Gathering of the Gargoyles, which stuffed quite a few art show awards under her belt over the years. Her work has appeared in various D&D supplements from Mongoose Publishing, and the official Corel Painter magazine. She is also the writer and illustrator of Drawing Made Easy: Dragons & Fantasy from Walter Foster Publishing.

SPECIAL GUEST OF HONOR

Fossil the Undead Anthrosaur Artist was born May 9th, 1979, in Macon, Georgia and currently lives on Long Island, New York with his girlfriend and fellow scaly artist, ScullyRaptor. Fossil is a writer, illustrator, cartoonist, animator, tattoo artist, dancer, and otherwise typical dead dinosaur in the anthropomorphic fandom since late 2002, where his artwork was first seen on FurBid. He's perhaps best known for his herd of curvy female dinosaur characters, the Jurassic Beauties. Although Fossil is known primarily for his saurian art, he can draw anything else just as well. He also dabbles in sculpture, poetry, and music. He has been tattooing since 2003.

EVENTS

ART SHOW:

This year look forward to seeing even more artists show of their work in the art show. Be sure and look for the great low prices and the one-of-a-kind originals that our local and favorite artists put up for bidding! Once again we will be selling off the proof of the conbook for all to bid on!

PET AUCTION:

Another Califur exclusive! If you're in the market for pet or are a pet in need of a master, this is the place to go. Every year we put on an auction of a different flavor. Furs put themselves on the auction block to help support our charity. Each "purchase" spends eight hours with their new friend, so come early for all the fun!

DEALER'S DEN:

Everyone likes a little furry merchandise, perhaps a new tail or even a new book! Come into our Dealer's Den and find what you have waited all year to find. Furry gems not your cup of tea? How about a commission from your favorite artist? Come see who's got prints, portfolios or originals for sale. While you're there, come see who's commissioning who.

POKER TOURNAMENT:

Tired of playing your poker tournaments online where you can't use your best poker-face? New this year is our poker tournament. Come join our poker tournament this year, butt make sure you practice your best poker-tail.

FURRY NIGHT LIVE PRESENTS : ROCK N' ROLL TOONS

After a five year run up north, Furry Night Live premieres at Califur with a new show format, Rock N' Roll Toons! Featuring the skit comedy you've come to expect from FNL, the new show "takes it to 11" with musical comedy and rock that will blow the doors off!

You'll also get a chance to vote for the best acts in the show, which will win cash and other prizes! Best yet, admission to the show is included in your con membership!

TRACKS

FURSUIT:

New to fursuiting? Been fursuiting for awhile and want some tips? This year we have two refresher course panels, tail-making, the fursuit meet-and-greet and perhaps a special guest coming to show you more about fursuits! Then after that, join us for our own fursuit parade to show off our new works of art.

SPECIES:

Lions and tigers and bears ... oh wait, that was last year's theme. Want to meet more of your kind? Want to find out why my species is better than yours? Come find out in all our various different SIGs and find some new packmates, herd, pod, gaggle, flock, or just some new friends.

ADULT EVENTS

CABARET FUR LE DANCE:

Back by demand (like it's never in demand), Cabaret Fur Le Dance. Come be teased and tantalized once again, and if you have never attended before, be sure and get there early for good seats! No visit to the home of the fandom is complete without seeing Cabaret. Adults only please!

P.A.N.T. PANEL:

All other panels are all over, and no place to go? Check out this panel, back by demand last year (and because we love you guys), Vidwulf and Oggywolf host the ever-so-popular P.A.N.T Panel. Yes, we have a bigger room this year! Adults only please!

JAMES GURNEY

James Gurney is the author and illustrator of the *New York Times'* bestselling *Dinotopia* book series, which has been translated into eighteen languages in thirty-two countries. He designed the "World of Dinosaurs" stamps for the United States Postal Service and has worked on assignment for *National Geographic* magazine, painting reconstructions of Moche, Kushite, and Etruscan civilizations. His unique blending of fact and fantasy has won Hugo, Chesley, Spectrum, and World Fantasy Awards. An exhibition of the artwork from *Dinotopia*, begun at the Smithsonian Museum in Washington, D.C., will appear at the Delaware Art Museum in early 2010.
